

# On Time

# Or Free

Trendway is an employee-owned company manufacturing high quality office furniture since 1968. We serve commercial end user customers as well as government customers on our General Services Administration contract. What sets us apart from other office furniture manufacturers is our service.

We are so confident in our ability to maintain this superior service level, we now offer our customers the **On Time Or Free** promise.

For more information, please contact Trendway at 1-800-968-5344 or visit [www.trendway.com](http://www.trendway.com).
