More Luxury, Less Lead Time

Black leather is the top choice among top executives, bar none. From the corner office to the boardroom to every space in between, X Series wraps you in the luxury of leather without a lengthy lead time or a hefty price tag.

Front Pivot Knee Tilt (mechanism 5)
Effortless, comfortable, ideal for executive and conference chairs – our front pivot knee tilt mechanism lets you recline without putting pressure on your thighs. So you can lean back and lock in at the position that best suits you.
