TRENDWAY ANNOUNCES NEW HIRES

Trendway recently welcomed several new members to their organization.

Jeff Jalving joined the Technical Specialist team on April 12. Jeff is a certified Journeyman Electrician with over 20 years experience in the furniture industry. He will work out of the company's Holland location.

Lisa Vasche recently became part of the Government Sales team at the company's Holland location. Lisa brings diverse skills and experience to this expanding group. Lisa is currently completing her Bachelors Degree in Business at Davenport University.

Trendway also welcomed Mark Fifelski to their Manufacturing Operations team as a Manufacturing Leader. He comes to the company with extensive manufacturing supervision experience, along with a strong background in lean operations and quality.

In continuing the expansion of the Government Sales team, Laura Lee Canda has joined Trendway as Federal Government Business Development Manager. Laura will be based out of Trendway's Washington D.C. office and will be responsible for the Greater Washington D.C. area as well as Virginia and Maryland.

The Architectural Products team also expanded with the addition of two new members. Mike Collins joins Trendway as Architectural Products Business Development Manager, based out of Trendway's Atlanta office. Mike will be responsible for the Southeast territories. In addition, Trendway recently announced the addition of Kurt Sickler as Architectural Products Business Development Manager for the Northeast United States and Eastern Canada. This organization's expansion coincides with the announcement of two new product lines in this area -- TrendWall Clear custom architectural storefront and TrendWall Flooring Solution.

About Trendway.

Trendway Corporation, an employee owned company in Holland, Michigan, provides more than just office furniture. A company with a 40-year proven track record, Trendway provides customers peace of mind through exceptional service, quality products, guaranteed delivery, superior customer service, and fast/flexible custom solutions. The company creates workplace environments through its offering of panel systems, filing, storage, casegoods, seating, architectural products including moveable walls, glass storefront and raised floor. Trendway has served government customers as a GSA Contractor for more than 15 years and its products have achieved the SCS (Scientific Certification Systems) Indoor Advantage™ certification of indoor air quality. For more information on Trendway, please call (616) 399-3900 or visit www.trendway.com.
