**TRENDWAY NAMES NEW BUSINESS DEVELOPMENT MANAGER  
FOR ARCHITECTURAL PRODUCTS**

Holland, Mich. . . Trendway announces that Mike Collins, LEED AP, has been named Business Development Manager for Architectural Products for the Southeastern United States.

Mike joins Trendway with extensive experience in architectural products. His most recent position was exclusively focused on the growth of architectural product sales with a major contract office furniture dealer in Atlanta. He also brings years of experience obtained through positions at real estate, construction and property management firms.

In his new role Mike will team with Trendway representatives and dealers to develop new business opportunities for Trendway Architectural Products, which have recently expanded to include TrendWall Flooring Solution and the TrendWall Clear custom architectural storefront product.

"Mike's background and expertise is a perfect compliment with our goal to promote and grow this area of our business," says Nathan Lowery, LEED AP, Trendway Director of Architectural Products. "I am excited to have Mike on Trendway's Architectural Products team."

Mike is a graduate of the University of Wisconsin and resides in the greater Atlanta area.

**About Trendway.**

Trendway Corporation, an employee owned company in Holland, Michigan, provides more than just office furniture. A company with a 40-year proven track record, Trendway provides customers peace of mind through exceptional service, quality products, guaranteed delivery, superior customer service, and fast/flexible custom solutions. The company creates workplace environments through its offering of panel systems, filing, storage, casegoods, seating, architectural products including moveable walls, glass storefront and raised floor. Trendway has served government customers as a GSA Contractor for more than 15 years and its products have achieved the SCS (Scientific Certification Systems) Indoor Advantage™ certification of indoor air quality. For more information on Trendway, please call (616) 399-3900 or visit [www.trendway.com](http://www.trendway.com).
