**TRENDWAY ANNOUNCES NEW VICE PRESIDENT OF SALES**

Holland, Mich. . . . Trendway Corporation has named Joseph P. Graczyk, Jr. as its Vice President of Sales. Joe brings over twenty years of sales and marketing executive leadership experience to his new position. His responsibilities will include strategic planning and operational leadership for all sales and distribution of Trendway products.

“Joe is a relationship centered sales leader, which is an important fit with Trendway’s culture,” says Bill Bundy, Trendway president and CEO. “He has demonstrated the ability to build and develop highly focused and ambitious sales teams. He is a highly disciplined sales professional with a proven track record. We are pleased to have him on our team.”

Joe began his career at AT&T in Southfield, Michigan where he worked in a variety of sales positions in major and global accounts divisions. In 2003, Joe joined Johnson Controls, Incorporated in Auburn Hills, Michigan where he lead a sales team focused on automotive, education, life sciences, healthcare, industrial and state & local governments markets. Most recently, he held the position of Vice President for R. L. Polk & Co., a sales and marketing firm with focus in the automotive industry.

“I’m very pleased to be joining Trendway,” says Graczyk. “Trendway’s team and their established focus on service combine for a commanding strength. I look forward to the opportunity to use my experience to help Trendway exceed its growth potential.”

--more --

Graczyk holds a Michigan State University Undergraduate B.A. in Marketing, and is a graduate of the University of Michigan-Flint, where he earned his M.B.A. Joe enjoys running and golfing. He and his wife, Janice, plan to reside in West Michigan.

**About Trendway.**

Trendway Corporation, an employee owned company in Holland, Michigan, provides more than just office furniture. A company with a 40-year proven track record, Trendway provides customers peace of mind through exceptional service, quality products, guaranteed delivery, superior customer service, and fast/flexible custom solutions. The company creates workplace environments through its offering of panel systems, filing, storage, case goods, architectural products including walls and raised flooring, and seating. Trendway has served government customers as a GSA Contractor for more than 15 years and all of its products have achieved the SCS (Scientific Certification Systems) Indoor Advantage™ certification of indoor air quality. For more information on Trendway, please call (616) 399-3900 or visit [www.trendway.com](http://www.trendway.com).
