

1 Touchdowns, Collaborative and Conference Spaces

Accommodate a range of work styles with flexible work solutions designed for conference rooms and lounges. Includes touchdown settings for mobile workers, standing-height tables for team huddles, and private booths for quiet getaways.

Snap Packages shown include: 1A, 1C, 3C, 4E, 4D, 5D, 7A, 7B, 10A

2 Executive Office and Meeting Spaces

Executives need places to focus and hold meetings. This setting offers it with private offices situated next to conference rooms and smaller meeting areas. The adjacent café provides yet another meeting and social space.

Snap Packages shown include: 9E, 3D, 1B, 5A, 4C

3 Semi-Private Workstations

All the benefits of an open office with just enough visual privacy for focused work. These workstations can be easily grouped into a compact area for large teams. Pick your favorite package, then repeat it to give everyone their own workspace.

Snap Packages shown include: 8C

4 Meeting and Collaborative Spaces

The right setting can bring teams together. Tucked close to two neighborhoods of workstations, these collaborative spaces are ideal for quick meetings, touch downs, and team huddles. A few steps away is a versatile training room for larger groups to spread out and learn.

Snap Packages shown include: 5C, 5A, 2A

5 Open Office Workstations

When it comes to collaboration, there's nothing like an open office. But that doesn't eliminate the need for privacy. These pinwheel-shaped workstations are perfect for workers looking to touch down, send an email, or focus on work. There are also spaces for teams to collaborate in semi-privacy, or workers to meet up for a quick chat.

Snap Packages shown include: 6A, 6C, 5A

6 Café and Collaborative Spaces

Whether you're looking to relax, grab a bite, or have a touchdown meeting, our café spaces are the perfect setting. Ready to share your ideas? These multi-use spaces are designed for easy collaboration.

Snap Packages shown include: 4A, 5C, 5E
